**BEFORE THE BOARD:**

MARGARET E. CURRAN, CHAIRPERSON  
JANET COIT, BOARD MEMBER  
PARAG AGRAWAL, BOARD MEMBER

TODD BIANCO, COORDINATOR  
PATRICIA LUCARELLI, EFSB, LEGAL COUNSEL  
SUSAN FORCIER, DEM, LEGAL COUNSEL

1 Environmental Management, Pascoag Utility  
2 District, the Public Utility Commission,  
3 Burrillville Zoning Board and Burrillville  
4 Planning Board. Also, we'll hear from the  
5 Office of Energy Resources in one of the  
6 advisory opinions.

7 After the advisory opinions come  
8 in, we'll start conducting the final  
9 hearings. Those will be evidentiary  
10 hearings. Those will be sometime this fall.  
11 The timing, all of the deadlines are set in  
12 the law. It's not determined by any of the  
13 parties. We don't decide whether we're  
14 going to have more time. They're all set by  
15 statute. So we can tell you now that after  
16 we have started the hearings and gone  
17 through doing all of the evidence and  
18 considering all of the advisory opinions,  
19 we'll have a final decision and it will  
20 probably be January, just before February  
21 2017.

22 Between now and then we're going to  
23 conduct another public comment period at the  
24 high school, Monday, March 23rd at 6:00 p.m.
